INTRODUCTION:

In the name of Allah the most mercy, we start our Da'wah training. First, we have to put in mind that we're all created by Allah the one that makes no mistakes. Which that means that we make mistakes and everybody, but Him is not perfect.

Please, for feedback you can always contact me via email and a lot of social networking services. Please make sure to check the footprints that will be included in this document file and also go through this document step by step, with no steps skipping.

There is one more thing that we need to put in mind and that thing is, we need to always put in mind that we are inviting people to worship nobody, but Allah. We are not inviting people to stop eating pork, or drinking alcohol or even inviting them to follow the lifestyle of Islam. We are here running for one goal and that is to convey the most basic principle in Islam and that would be is: "I bear witness that there is non-worthy of worship besides Allah and I bear witness that Mohammed is the last and final messenger from Allah."

Please fix all of your intentions before going through the field of Da'wah and for that, make this secret. Learn Da'wah secretly, do Da'wah secretly and by that, you will be fulfilling your purpose of Da'wah.

As I have mentioned before, I'm not perfect, nobody is but Allah, which is why you will find some errors and grammar mistakes. I will be providing full contact information, so you can correct me whenever I make mistakes.

It is important to know that this manual is not based on my own experience only, but also on a lot of others' experience. I have quoted a lot from other sources. All of the sources and the information are verified. I have also followed the footprints of my very first Da'wah trainer Sheikh Ahmed M.

There are assignments in the end of the manual. Make sure to do them all and send them to me via email. All of the assignments are meant to help you gain more experience.

The secret behind a successful Da'ee is a person who never stops seeking for more information about Da'wah and Islam in general. So, it's important to keep developing yourself.

I have also provided links of some useful websites. Make sure to check them all and seek for knowledge through them. Each website has its own features and all of them are good for Da'wah.

Now, you may ask yourself: "What is so special about this manual?" Well, the answer is simple! This manual is a complete booklet of the most basic information about Da'wah. This manual is meant to be as small as possible and as easy as it could be and at the same time, full with useful knowledge. This manual has assignments that were meant to help you improve yourself. Not to mention, this manual is bits of everything and all of the information can be found in verified websites. It also has a full package that was meant for the new Muslims, to teach them to most basics of Islam.

Finally, I would like to thank you for downloading my Da'wah Manual. I would be more than glad to know what you think about it. I have made this Da'wah Manaul in two months.

WHAT IS DA'WAH?

Da'wah is an Arabic term that means invitation. In our case, Da'wah means inviting people to Islam and by inviting them to Islam; we are inviting them to accept Allah the Almighty as the one true God and to accept the message of prophet Mohammed (PBUH).

DO I HAVE TO MAKE DA'WAH?

A Muslim may ask: "Do I have to make Da'wah? I pray, fast and follow Islam, should I really do it or not?" Well, yes, you have to make Da'wah. Allah the Almighty informs us in the Qur'an:

"And let there be (arising) from you a nation inviting all that is good (Islam), enjoining what is right and forbidding what is wrong, and those will be the successful." [\(Qur'an 3:104\)](#)

"Invite to the way of your Lord (i.e. Islam) with wisdom and fair preaching, and argue with them in a way that is better. Truly, your Lord knows best who has gone astray from His path, and He is the best aware of those who are guided." [\(Qur'an 16:125\)](#)

And the prophet Mohammed (PBUH) tells us: 'Convey from me, even one verse.' (Al-Bukhari). So, yeah, you have to make Da'wah. We can understand from the Hadith of prophet Mohammed (PBUH) is that we don't have to do more than our limits. We have to do Da'wah inside the line of our limits.

WHAT IF I DON'T MAKE DA'WAH?

Allah the Almighty answers this question in the Qur'an and he says:

"Verily, those who conceal the clear proofs, evidences and the guidance, which we have sent down, after We have made it clear for the people of the book, they are the ones cursed by Allah, and cursed by the cursers." [\(Quran 2:159\)](#) So, now, Allah the Almighty describes not making Da'wah with 'Hiding the truth' and now, Da'wah is not something you choose to do or not. Now, Da'wah is an obligation.

According to some of the Muslim Scholars, Da'wah is one of the very few reasons that allow Muslims to live in a Non-Muslim country, such as England and USA. So, now, Da'wah works as a Visa to us!

WHAT IS MY OWN WINNING PRICE IF I DO DA'WAH?

Allah the Almighty answers this question in the Qur'an and says:

"And who is better in speech than he who invites to Allah and does righteous deeds, and says I am one of the Muslims." [Qur'an 41:33](#)

And prophet Mohammed (PBUH) clears that out and says:

"He who calls others to follow the Right Guidance will have a reward equal to the reward of those who follow him, without their reward being diminished in any respect on that account." [Muslim]

In the above Hadith of Prophet Mohammed f somebody becomes a Muslim through our efforts, then any good actions they do will result in a reward for us.

"By Allah, if Allah were to guide one man through you it would be better for you than the best type of Camels" (Al Bukhari & Muslim). And at that time of Prophet Mohammed was the price of the best type of camel is the same price as ten of the most expansive cars in the world, today!

WHAT IS OUR ROLE?

We are not going to force people to join Islam. We are only going to convey the message of Islam to Non-Muslims. It is Allah who decides whether He wants them to join Islam or not. As the following verses explain:

"Your duty is to convey the message" [Qur'an 42:480](#)

"And it is not for any soul to believe except by the permission of Allah" [Qur'an 10:100](#)

Always put in mind, that no matter how hard you try making this person believe in Allah, he/she won't believe unless Allah the Almighty accept them as believers.

WHAT ARE WE INVITING PEOPLE TO?

It is very important to remember that we are inviting people to submit and surrender to the will of Allah the Almighty and to say the witness with their tongues and hearts and after they do, we invite them to follow the path of Islam and start practicing it. So, the main thing that we are inviting people to is: "I bear witness that there is non-worthy of worship besides Allah and I bear witness that Mohammed is the last and final messenger of Allah."

THE BASICS OF ISLAM!

It is very important to know a brief about Islam. It should be bits of everything, basic and important. It shouldn't be about one single object, but about many of objects, as I mentioned, bits of everything:

Da'wah Manual

- Islam is an Arabic term that means submission and surrender to the will of Allah. Islam also means peace.
- Allah is the God that all Muslims worship and no matter what sect they follow! Allah is not a person and Allah is not an idol. Allah is all knowing, all hearing, all powerful, most mercy and he doesn't need rest. He doesn't sleep and He doesn't need anything that His creation needs. Allah is described in the Qur'an as:

"Allah - there is no deity except Him, the Ever-Living, the Sustainer of [all] existence. Neither drowsiness overtakes Him nor sleep. To Him belongs whatever is in the heavens and whatever is on the earth. Who is it that can intercede with Him except by His permission? He knows what is [presently] before them and what will be after them, and they encompass not a thing of His knowledge except for what He wills. His Kursi extends over the heavens and the earth, and their preservation tires Him not. And He is the Most High, the Most Great." [Qur'an 2:255](#)

- A Muslim is a person who practices Islam. A Muslim is also a person who submits to the will of Allah and worships him alone!
- Mohammed is the last and final prophet who was sent from Allah the Almighty to all of the humankind and not only for the Arabs.
- The Qur'an is the last and final revelation that was sent from Allah to all humankind. The Muslims belief that it is the actual words of Allah and it has one form and one version and written in the same font and has the same pages and the same words, with no manipulation or changes in anyhow.

THE SIX ARTICLES OF BELIEFS OF ISLAM:

1. Belief in God (Allah), the one and only one worthy of all worship.
2. Belief in the Angels.
3. Belief in the Books (Holy books sent from Allah) sent by Allah to all the prophets which includes original Gospel, Torah and the last and final book is The Holy Qur'an to all humanity.
4. Belief in all the Messengers (rusul) sent by Allah (including Adam, Noah, Abraham, Moses, Jesus and the last and final Messenger is Mohammed (PBUH)).
5. Belief in the Day of Judgment (yawm al-qiyāmah) and in the Resurrection (life after death).
6. Belief in Destiny (Fate). That all things happen by the will the Allah.

THE 5 PILLARS OF ISLAM:

1. The testimony of faith (Shadateen). -The words that people say to become Muslims.
2. Performing prayer (salat).
3. Giving money to poor people.(Zakat)
4. Fasting in a limited period -Like Jesus and all other prophets- (in Ramadan). (Soum)
5. Pilgrimage. (Hajj)

THE MIRACLES OF THE HOLY QUR'AN:

There are two main sections in the miracles of the Qur'an:

1- SCIENTIFIC MIRACLES:

- **Embryology:** How the baby forms in his mother's womb. Qur'an 23:12-14
- **The Big Bang Theory:** How the universe came to start. Qur'an 21:30
- **The Expanding Universe:** Explains that the universe is expanding. Qur'an 15:47
- **Construction of Mountains:** Explains how the mountains are keeping the Earth's balance. Qur'an 21:31

2- LOGICAL MIRACLES:

- **Given to an Unlettered Prophet:** The Qur'an was revealed to Mohammed (PBUH) and at that time, he was 40 years old and he wasn't able to read or write. If he wasn't able to read or write, that means he haven't studied any science books, or haven't read any books about biology, or astronomy, so, how could he discover the scientific miracles of the Qur'an and write them. We all know all the scientists have studied too many books and at the end, they have discovered something or too, in the Qur'an there are many of scientific miracles. ([Qur'an 7:157](#)).
- **Has remained unchanged:** The book has remained unchanged for 1400 years, today, it has one form and one version and used the same font: "It is We who have sent down the Dhikr (Qur'an) and surely We will preserve it" ([Quran15:9](#))
- **The Challenge:** There is a challenge in the Qur'an, that is, if you don't believe in the Qur'an, then write a chapter like it. The shortest chapter in the Qur'an is made of only 3 sentences long and only made of 10 words. Yet, nobody have been able to write something like the Qur'an: "And if you are in doubt about what we have sent down upon our servant then produce a chapter like it ..." ([Quran 2:23](#))
- **No Contradictions:** Allah the Almighty mentions that in the Qur'an there are no contradictions and after huge number of Arabic scholars has studied the Qur'an and they have found no single contradiction. The Qur'an is made of 604 pages long and if it was written by a human being, then it surely would have been full with contradictions: "Don't they ponder over the Qur'an, had it been from anyone besides Allah, they would surely have found therein many contradictions" ([Quran 4:82](#))
- **Produced the Fastest Growing Religion:** It has produced the fastest growing religion in the world (Guinness book of records 2005). There are over than 20,000 Non-Muslim from USA converts to Islam each year.
- **Easy to memorize:** There are more than 9 million Muslims around the world who are alive this moment who have memorized the Holy Qur'an and Allah the Almighty has already mentioned in the Qur'an that he made it easy to be memorized: "... made easy to remember" ([Qur'an 44:58](#))
- **No crookedness:** "An Arabic Qur'an without any crookedness" ([Qur'an 39:28](#))

ATHEISM

You ONLY need to 'Prove' that God exists. – Talking about anything else is a waste of time.

JUDAISM

Show that Abraham was a Muslim.

The Qur'an is a miracle.

HINDUISM

In their scriptures there is no idolatry.

Muhammad (PBUH) is mentioned.

BUDDHISM

Buddah = Possible prophet.

Moral teachings in Islam are good.

Qur'an is a miracle.

JEHOVAH'S WITNESSES

Muslims are following Jesus (peace) of Bible.

God's name is Allah.

ANY OTHER RELIGION

Quran = miracle

DA'WAH TO ATHEISTS:

Ask them if they like science (most of them do). If they were aware about it, give them the miracles of the Qur'an (start with the scientific miracles) and follow them up with this down below, if they don't like science, then give them this... ONLY!

LOGICAL MIRACLES:

- **Given to an Unlettered Prophet:** The Qur'an was revealed to Mohammed (PBUH) and at that time, he was 40 years old and he wasn't able to read or write. No crookedness: "An Arabic Qur'an without any crookedness" ([Qur'an 39:28](#))

And please follow them up with the following and use wisdom, you don't have to give them everything and put in mind that be gentle with them and don't push them to join Islam:

LOGIC & REASON? You're asking me for logical evidence that God is real, while the founders of logic themselves believed in God? The founders of logic and science (the Greeks) which are Plato & Aristotle proved that there must be a God. Example for their foundation: If A = B, B = C, then A must = C

VIA NEWTON'S LAWS? Newton's law says: "The power can't be founded without a source..." other words: "You can't make/get power without source for that power..." So, where did the sun get its power? Where did the Earth get the power of graphite? – There must be a God, who is the source for this huge power & this God has power more than the whole universe. They say: "The universe is about an exploded things. (The Big Bang)" So, where did these things get the power to explode? Also, who made these things? Did these things make themselves by their selves? But, wait... How can something create itself if it wasn't already exist? Is that logic that the plants & galaxies make themselves? – To create themselves they have to be not exist, but if they weren't exist, then how could they create themselves? Well, this proves that there must be someone or something which have much more greater power who made everything & he must be not created.

DESIGNS INCREASES THE DESIGNER, SO, GO AND LOOK IN THE MIRROR, DON'T YOU THINK YOU'RE SO VERY COMPLICATED TO BE CREATED BY NATURE BY CHANCE?

Look at your fingers & how they could move. Look how you can eat & breath. Don't you think there's someone who isn't created that created you, that way? Let's take example of something most of is have

and use on a regular basis: a mobile phone. Your mobile phone is composed of a few basic elements. Plastic, glass, silicon for the chip and some precious metals. Plastic comes from oil and glass and silicon from sand. So, basically, what you're holding in your hand is oil and sand. Now, what if I told you that I was walking along in the desert of Arabia (lots of oil and sand) and picked up a mobile phone, which I found laying there... A product of billions of years of random events? The wind blew, the sun shone, the rain fell, lightning struck, the oil rubbed, the camel trod and after millions of years the mobile phone formed itself. And naturally, I pick it up, push the call button... "Hi, mom!" Is there any chance that this could have randomly formed itself through natural processes? Well, what about the most basic human cell, which is much more complicated than the mobile phone, could this cell form itself? What about the universe? Of course there must be a God.

ANOTHER PROVES THAT PROVES GOD EXISTS: AT SAN DIEGO, CALIFORNIA, USA- AT 1997.

They've made researches on the human brain, on living-humans; they found a part of the brain, which gets really active to those people who believe in God & to those who don't believe in him, this part isn't active. Every single human has a God who this person believes in and worship, it doesn't matter who they worship as long as they do. For example: Muslims worship Allah. Atheists may worship a lot different things such as (food, clothes, a pet, a friend, a boyfriend/girlfriend, a father/mother, a singer or maybe a suit or a job or even LUCK). So, even tho those Atheists worship something (not God) they don't have this part of the brain active. You can find an article about it online. It's called the religious part of the human brain.

REASON ISN'T THE BEST ANSWER IN EVERYTHING. Example: let us say that you're standing outside near the front door of a building. I came & asked you: "what do you think inside this building?" You may say: "It has computers, papers, tables, lights, water &..." But could you be right? Because you can't see what's inside this building. You're only guessing what may have been there. There is a chance that you may be true, but there is also a chance that the building is empty, or that it is full with food, but non things you said... The best way to find out what is inside the building is to enter it & see it through your eyes, but what it wasn't possible for you to enter the building and see what's inside of it?

DA'WAH TO CHRISTIANS:

With Christians, start asking them: "Do you believe that Jesus is God or sent by God?" If they say: "Sent by God." Then ask them: "Son of God, or a prophet of God?"

JESUS IS GOD?

- Almighty God is all knowing, Jesus didn't know the hour of the Day of Judgment. Mark 13:32
"But of that day or hour no one knows, not even the angels in heaven, nor the Son, but the Father alone."
- Almighty God is the greatest, Jesus said: "Father is greater than I." John 14:28

- God is All-Mighty... Jesus (PBUH) was not. "I can do nothing on my own authority; as I hear, I judge, and my judgment is just, because I seek not my own will, but the will of Him who sent me" (John 5:30)
- God doesn't pray to anyone ... Jesus (PBUH) did "And he (Jesus) went a little further, and fell on his face (sujud) and prayed." (Matt 26:39)

Ask them: What makes you think that Jesus is God? They say: His miracles... Tell them:

- 1- Jesus fed 5,000 people with five loaves of bread and two fishes. \ Elisha fed 100 people with twenty barley loaves and a few ears of corn (II Kings 4:44)
- 2- Jesus healed lepers. \ Elisha cured Naaman the leper (II Kings 5:14).
- 3- Jesus caused the blind to see. \ Elisha caused the blind to see (II Kings 6:17&20).
- 4- Jesus raised the dead. \ Elijah did the same (I Kings 17:22). So did Elisha (II Kings 4:34). Even Elisha's bones could restore the dead (II Kings 13:21).
- 5- Jesus walked on water. \ Moses and his people crossed the Dead Sea (Exodus 14:22).

JESUS IS THE SON OF GOD?

Many other people are called sons of God in the Bible:

- **The Prophet Adam** (PBUH) – Luke 3:38
- **The Prophet Solomon** (PBUH) – II Samuel 7:13, 14
- **Angels** – Job 1:6, 2:1, 38:7
- **The Prophet David** (PBUH) – Psalms 2:7

FROM THE QUR'AN:

The Qur'an talks about Jesus' similarity to Adam Qur'an:

- "Indeed, the example of Jesus to Allah is like that of Adam. He created Him from dust; then He said to him, "Be," and he was." ([Qur'an 3:59](#))
- "It befits not Allah that he begets a son." ([Qur'an 19:35](#))

JESUS WAS SENT BY ALMIGHTY GOD AND HE WAS A MESSENGER, ONLY!

Tell them that they're closer to Islam than Christianity, ask them, was Jesus' message was complete or incomplete?

JESUS COMPLETED HIS MESSAGE

But Jesus said to his disciples: "I have many things to tell you but you cannot bear them now..." (John 16:12) - Means, he didn't complete his message.

JESUS DIDN'T COMPLETE HIS MESSAGE?

The Holy Spirit brought the words of Almighty God, which is the Qur'an: "Howbeit when he, the Spirit of truth, is come, he will guide you into all truth: for he shall not speak of himself; but whatsoever he shall hear..." (John 16:13) – Do you want me to give you the Qur'an's miracles?

MUSLIMS FOLLOWS JESUS, HOW?

- Well, you must have been into Churches and seen pictures of Jesus on Christmas. Have you noticed that he had beard? Do you know that Muslims have beards because we follow Jesus (peace be upon him)? Prophet Mohammed also had beard.
- Jesus prayed and put his head to the ground (Check Bible Matthew 26:39)
- Jesus submitted to the will of the Allah. Who submit to Allah (Almighty God) and worship him as unique, all knowing, all powerful (Check Bible Luke 22:42, John 5:30). Muslims, do the same!
- Jesus didn't eat bacon (Check Bible In Leviticus 11:7-8) or drink alcohol (Check Bible Numbers 6:14). Who do that today? Muslims, do!
- If you would see Marry (the mother of Jesus) today, walking in the street with her hair covered (with a veil) and covering body very well (Like the pictures of her on Churches and on Christmas). What religion would you think she (Marry) was? You would think that she was a Muslim. Because female Muslims, follow Marry and they wear the veil.

MOHAMMED (PBUH) IS MENTIONED IN THE BIBLE:

"I will raise up for them a prophet like you from among their fellow Israelites, and I will put my words in his mouth. He will tell them everything I command him. " (Deut 18:18)

"The entire vision will be to you like the words of a sealed book, which when they give it to the one who is literate, saying, "Please read this," he will say, "I cannot, for it is sealed."12Then the book will be given to the one who is illiterate, saying, "Please read this." And he will say, "I cannot read." 13Then the

Lord said, "Because this people draw near with their words And honor Me with their lip service, But they remove their hearts far from Me, And their reverence for Me consists of tradition learned by rote,..."
(Isaiah 29:12)

When Archangel Gabriel commanded Muhammad (pbuh) by saying Iqra - "Read", he replied, "I am not learned".

IN NEW TESTAMENT:

John 16:12-14): "I have yet many things to say unto you, but ye cannot bear them now. Howbeit when he, the Spirit of truth shall come, he shall guide you unto all truth....."

IN OLD TESTAMENT:

Song Of Solomon 5:16

חַזְלָ סְמִתְקִים וְכֹלֶן מְחַטְבִּים וְהִרְקֵבָתְךָ רַעַי בְּנֵת יְרוּשָׁלָם:

**HIKKO MAMITTAQIM KIKULLO MUHAMMADIM ZEB DUDI
VEZEH RAIH HENUTE YARUSHALAM.**

**His mouth is most sweet: yea, he, MUHAMMAD. This is my beloved,
and this is my friend, O daughters of Jerusalem.**

BY NAME: (Song of Solomon 5:16) Hebrew word used there is Muhammadi. Letters "im" as mark of respect.

SOME IMPORTANT THINGS TO KNOW ABOUT CHRISTIANITY!

PORK

Jesus did not eat pork. He followed the laws of Moses and he did not eat pork. In Leviticus 11:7-8, "7 And the swine, because it parts the hoof and is cloven-footed but does not chew the cud, is unclean to you. 8 Of their flesh you shall not eat, and their carcasses you shall not touch; they are unclean to you."

ALCOHOL

Jesus consecrated himself to God and therefore abstained from alcoholic drinks according to the instructions recorded in Numbers 6:14: "And the Lord said to Moses, 2'Say to the people of Israel, When either a man or a woman makes a special vow, the vow of the Nazirite,12 to separate himself to the Lord, 3he shall separate himself from wine and strong drink; he shall drink no vinegar made from wine

or strong drink, and shall not drink any juice of grapes or eat grapes, fresh or dried. 4All the days of his separation he shall eat nothing that is produced by the grapevine, not even the seeds or the skins."

As to the 'miracle of turning water into wine',¹³ it is found only in the Gospel of John, which consistently contradicts the other three gospels. As mentioned earlier, the Gospel of John was opposed as heretical in the early Church,¹⁴ while the other three Gospels were referred to as the Synoptic Gospels because the texts contained a similar treatment of Jesus' life.¹⁵ Consequently, New Testament scholars have expressed doubt about the authenticity of this incident.

ABLUTION BEFORE PRAYER

Prior to making formal prayer, Jesus used to wash his limbs according to the teachings of the Torah. Moses and Aaron are recorded as doing the same in Exodus 40:30-1, "30 And he set the laver between the tent of meeting and the altar, and put water in it for washing, 31 with which Moses and Aaron and his sons washed their hands and their feet.... as the Lord commanded Moses."

PROSTRATION IN PRAYER

Jesus is described in the Gospels as prostrating during prayer. In Matthew 26:39, the author describes an incident which took place when Jesus went with his disciples to Gethsemane: "And going a little farther he fell on his face and prayed, 'My Father, if it be possible, let this cup pass from me; nevertheless, not as I will, but as thou wilt.'

Christians today kneel down, clasping their hands, in a posture which cannot be ascribed to Jesus. The method of prostration in prayer followed by Jesus was not of his own making. It was the mode of prayer of the prophets before him.

In the Old Testament, Genesis 17:3, Prophet Abraham is recorded to have fallen on his face in prayer; in Numbers 16:22 & 20:6, both Moses and Aaron are recorded to have fallen on their faces in worship; in Joshua 5:14 & 7:6, Joshua fell on his face to the earth and worshiped; in I Kings 18:42, Elijah bowed down on the ground and put his face between his knees. This was the way of the prophets through whom God chose to convey His word to the world; and it is only by this way that those who claim to follow Jesus will gain the salvation which he preached in his Gospel.

VEILING

The women around Jesus veiled themselves according to the practice of the women around the earlier prophets. Their garments were loose and covered their bodies completely, and they wore scarves which covered their hair. In Genesis 24:64-5 : "And Rebekah lifted up her eyes, and when she saw Isaac, she alighted from the camel, 65and said to the servant, 'Who is the man yonder, walking in the field to meet us?' The servant said, 'It is my master.' So she took her veil and covered herself."

Paul wrote in his first letter to the Corinthians, "5 But any woman who prays or prophesies with her head unveiled dishonours her head—it is the same as if her head were shaven. 6For if a woman will not veil herself, then she should cut off her hair; but if it is disgraceful for a woman to be shorn or shaven, let her wear a veil."

GREETINGS

Jesus greeted his followers by saying "Peace be upon you". In chapter 20:19, the anonymous author of the Gospel according to John wrote the following about Jesus after his supposed crucifixion: "Jesus said to them again, 'Peace be with you. As the Father has sent me, even so I send you.' " This greeting was according to that of the prophets, as mentioned in the books of the Old Testament. For example, in 1st Samuel 25:6, Prophet David instructed emissaries whom he sent to Nabal: "And thus you shall salute him: 'Peace be to you, and peace be to your house, and peace be to all that you have.' " The Qur'aan instructs all who enter homes to give greetings of peace;¹⁹ and those entering paradise will be greeted similarly by the angels.²⁰ Whenever Muslims meet each other, they use this greeting.

FASTING

According to the Gospels, Jesus fasted for forty days. Matthew 4:2: "And he fasted forty days and forty nights, and afterward he was hungry."²¹ This was in accordance with the practice of the earlier prophets. Moses is also recorded in Exodus 34:28, to have fasted: "And he was there with the Lord forty days and forty nights; he neither ate bread nor drank water. And he wrote upon the tables the words of the covenant, the ten commandments."

INTEREST

By upholding the Law, Prophet Jesus also opposed the giving or taking of interest because the texts of the Torah expressly forbade interest. It is recorded in Deuteronomy 23:19 that, "You shall not lend upon interest to your brother, interest on money, interest upon victuals,²³ interest on anything that is lent for interest."²⁴ Interest is also strictly forbidden in Chapter al-Baqarah (2):278 of the Qur'aan: "O you who believe, fear Allaah and give up what interest remains due to you, if you really are believers."

In order to fulfill this divine requirement, Muslims developed an alternative system of banking, commonly known as 'Islamic Banking', which is interest-free.

POLYGAMY

There are a number of examples of polygamous marriages among the prophets recorded in the Torah. Prophet Abraham had two wives, according to Genesis 16:13: "So after Abram had dwelt ten years in the land of Canaan, Sarai, Abram's wife, took Hagar the Egyptian, her maid, and gave her to Abram her husband as a wife." So did Prophet David, according to the first book of Samuel 27:3, "And David dwelt with Achish at Gat, he and his men, every man with his household, and David with his two wives, Ahinoam of Jezreel, and Abigail of Carmel, Nabal's widow." In 1st Kings 11:3, Solomon is said to have "...had seven hundred wives, princesses, and three hundred concubines." Solomon's son, Rehobo'am, also had a number of wives, according to 2nd Chronicles 11:21, "Rehobo'am loved Ma'acah the daughter of Absalom above all his wives and concubines (he took eighteen wives and sixty concubines, and had twenty-eight sons and sixty daughters)." In fact, the Torah even specified laws regarding the division of inheritance in polygamous circumstances. In Deuteronomy 21:15-16, the law states: "15 If a man has two wives, the one loved and the other disliked, and they have borne him children, both the loved and the disliked, and if the first-born son is hers that is disliked, 16 then on the day when he assigns his possessions as an inheritance to his sons, he may not treat the son of the loved as the first-born in preference to the son of the disliked, who is the first-born." The only restriction on polygamy was the ban on taking a wife's sister as a rival wife in Leviticus 18:18, "And you shall not take a woman as a rival wife to her sister, uncovering her nakedness while her sister is yet alive." The Talmud advises a maximum of four wives as was the practice of Prophet Jacob.²⁵

According to Father Eugene Hillman, “Nowhere in the New Testament is there any explicit commandment that marriage should be monogamous or any explicit commandment forbidding polygamy.”²⁶ He further stressed the fact that the Church in Rome banned polygamy in order to conform to Greco-Roman culture which prescribed only one legal wife while tolerating concubinage and prostitution.²⁷

Islam limited polygamy to a maximum of four wives at one time and stipulated the maintenance of justice as a basic condition for polygamy ([Qur'aan 4:3](#)), God states: “Marry of the women that please you two, three or four. But if you fear that you will not be able to deal justly, then [marry only] one ...”

CHRISTIAN SCRIPTURES

AUTHORSHIP

According to Biblical scholars, even the authorship of the Old Testament books and the Gospels themselves is in doubt.

TORAH

The first five books of the Bible (the Pentateuch)²⁸ are traditionally attributed to Prophet Moses,²⁹ however, there are many verses within these books which indicate that Prophet Moses could not possibly have written everything in them.

For example, Deuteronomy 34:5-8 states: “5 So Moses the servant of the Lord died there in the land of Moab, according to the word of the Lord, 6 and he buried him in the valley of the land of Moab opposite Beth-peor; but no man knows the place of his burial to this day. 7 Moses was a hundred and twenty years old when he died; his eye was not dim, nor his natural force abated. 8 And the people of Israel wept for Moses in the plains of Moab thirty days; then the days of weeping and mourning for Moses ended.” It is quite obvious that someone else wrote these verses about Prophet Moses’ death.

DA'WAH TO HINDUISM:

Hindus worship idols (many Gods and make images of God) and the Hindu scriptures have made it very clear that there is only one God and also mentioned not to make any image (idol) of that God.

- Bhagavat Gita 7:19-21: “All those who do idol worship, all those who worship demigods are materialistic people.”
- Yajur Veda 3:32: “...Of that God you cannot make any images.”
- Yajur Veda 40:8: “All those who worship the uncreated things, they are in darkness, and you'll enter more into darkness if you worship the created things”
- Rig Veda Vol.6, 45:16: “There is only one God, worship Him.”

The Hinduism is always on the change, every 100-200 years Hinduism changes. For example, before, when the husband dies, the wife had to burn herself on his gopies, when the government seen that, they have made laws to forbid it and yet there is no single wife that burns herself on the gopies of her husband. That is an example. Surely, there is more.

PROPHET MOHAMMED IN THE HINDU SCRIPTURES:

Verse 5 of Bhavishya Puran, Prati Sarg Parv III: 3, 3:

पतस्तिप्रभन्तिरे म्लेच्छ आचार्यैर्गा समन्वितः ।

His name will be Mahamad:

महामद् इति स्वातः शिष्यशास्त्रसमन्वितः ॥ ५ ॥

Bhavishya Puran: Prati Sarg, Part III: 3, 3, 5

Prophesied by name in Bhavishya Purana

- Bhavishya Purana PratiSarg Parv 3,Khand 3,Adhay 3,Shloka 5-8
- “A Malechha (foreigner) spiritual teacher will appear with his companions. (Sahabas)
- His name will be “Mohammad.”
- He will abolish idol worship (Shirk) and all sorts of vices.”

MISCONCEPTIONS ABOUT ISLAM:

ISLAM SPREAD BY SWORD:

- De Lacy O’Leary in the book “Islam at the cross road” (Page 8): “History makes it clear however, that the legend of fanatical Muslims sweeping through the world and forcing Islam at the point of the sword upon conquered races is one of the most fantastically absurd myth that historians have ever repeated.”
- Muslims ruled Spain for about 800 years. The Muslims in Spain never used the sword to force the people to convert. Later the Christian Crusaders came to Spain and wiped out the Muslims. There was not a single Muslim in Spain who could openly give the adhan, that is the call for prayers.
- Muslims were the lords of Arabia for 1400 years. For a few years the British ruled, and for a few years the French ruled. Overall, the Muslims ruled Arabia for 1400 years. Yet today, there are 14 million Arabs who are Coptic Christians i.e. Christians since generations. If the Muslims had used the sword there would not have been a single Arab who would have remained a Christian.
- The Muslims ruled India for about a thousand years. If they wanted, they had the power of converting each and every non-Muslim of India to Islam. Today more than 80% of the population of India are non-Muslims. All these non- Muslim Indians are bearing witness today that Islam was not spread by the sword.

- Indonesia is a country that has the maximum number of Muslims in the world. The majority of people in Malaysia are Muslims. May one ask, "Which Muslim army went to Indonesia and Malaysia?" They would say none.
- Similarly, Islam has spread rapidly on the East Coast of Africa. One may again ask, if Islam was spread by the sword, "Which Muslim army went to the East Coast of Africa?" Simply, they say: None, none, none!
- With which sword was Islam spread? Even if Muslims had it they could not use it to spread Islam because the Qur'an says in the following verse: "Let there be no compulsion in religion: Truth stands out clear from error" ([Qur'an 2:256](#))
- It is the sword of intellect. The sword that conquers the hearts and minds of people. The Qur'an says in Surah Nahl, chapter 16 verse 125: "Invite (all) to the way of thy Lord with wisdom and beautiful preaching; and argue with them in ways that are best and most gracious." ([Qur'an 16:125](#))
- An article in Reader's Digest 'Almanac', year book 1986, gave the statistics of the increase of percentage of the major religions of the world in half a century from 1934 to 1984. This article also appeared in 'The Plain Truth' magazine. At the top was Islam, which increased by 235%, and Christianity had increased only by 47%. May one ask, which war took place in this century which converted millions of people to Islam?
- Today the fastest growing religion in America is Islam. The fastest growing religion in Europe is Islam. Which sword is forcing people in the West to accept Islam in such large numbers?

MUSLIMS ARE TERRORIST:

- Every Muslim should be a terrorist. A terrorist is a person who causes terror. The moment a robber sees a policeman he is terrified. A policeman is a terrorist for the robber. Similarly every Muslim should be a terrorist for the antisocial elements of society, such as thieves, dacoits and rapists. Whenever such an anti-social element sees a Muslim, he should be terrified. It is true that the word 'terrorist' is generally used for a person who causes terror among the common people. But a true Muslim should only be a terrorist to selective people i.e. anti- social elements, and not to the common innocent people. In fact a Muslim should be a source of peace for innocent people.
- Islam is derived from the word 'salaam' which means peace. It is a religion of peace whose fundamentals teach its followers to maintain and promote peace throughout the world.
- Thus every Muslim should be a fundamentalist i.e. he should follow the fundamentals of the Religion of Peace: Islam. He should be a terrorist only towards the antisocial elements in order to promote peace and justice in the society.
- Who made World War 1 & World War 2? Christians, Jews & Atheists did. Muslims weren't a part of these World Wars.
- Islam says: "No hatred in religion" means, Muslims aren't allowed to kill or harm any non-Muslim, unless they try to kill or harm them and etc...
- A Muslim can live in the same house with a Non-Muslim, they can live peacefully. Chat with each other, eat together, smile, laugh and etc... They can go to work together and maybe work and create something up together. Islam is the full definition of peace. Far more away from hatred.
- Islam only gives the right to Muslims to kill thus people (Muslims/Non-Muslims) who try to kill them. It is like giving the right to yourself of defending yourself from thus people who want to kill you. Example:
- If you see a man holding a knife and pointing it at you and running at you, trying to hit you with the nice and you have a gun in your hand. What will you do? Run, try to hide and he maybe faster than you you and maybe kill you? Or simply, shooting him down? Of course, you'll shoot him down.

NON-MUSLIMS ALLOWED GOING INTO MAKKAH:

- Every single country has its own restricted areas that is different from country to another. In the Islamic world, you cannot enter Makkah or Madinah.
- To enter any country you'll need a Visa, that Visa is different from a country to another, by using the Visa you'll be officially agreeing to the conditions/rules of this country. The Visa – The primary condition required for any human being to enter Makkah or Madina is to say with his lips, La ilha ha illallah Muhammed ur Rasulullah meaning that 'there is no God but Allah and Muhammed (pbuh) is His Messenger.'

NON-MUSLIMS CALLED KUFARS:

- 'Kafir' is derived from the word 'kufr', which means to conceal or to reject. In Islamic terminology, 'Kafir' means one who conceals or rejects the truth of Islam and a person who rejects Islam is in English called a 'non-Muslim'

POLYGAMY IS ALLOWED IN ISLAM, WHY?

- The Holy Qur'an is the only religious book on the face of Earth that tells people to marry only one female.
- The prophet Abraham (peace be upon him) had three wives. The prophet Solomon (peace be upon him) had hundreds of wives.
- Christianity, doesn't limit polygamy, it doesn't even limit the number of wives, it just doesn't mention it. However, the Christian males were allowed to marry as much as they wished. Only at the last few centuries, the church limited the marriage as one girl for each one of males.
- The number of females are much more than the males.
- The female's life span is much than the males life span. The female child is stronger than the male child at fighting germs and diseases.
- The Indian males are more than the Indian females, the reason is because a lot of Indian families kill the female-new-born-child.
- Only 10-15 % of Muslims practice Polygamy. Compared to Hindus, Hindus who practice polygamy are much more than the Muslim.

FEMALES NUMBERS:

- In the USA, women outnumber men by 7.8 million. New York alone has one million more females as compared to the number of males, and of the male population of New York one-third are gays i.e sodomites. The U.S.A as a whole has more than twenty-five million gays. This means that these people do not wish to marry women. Great Britain has four million more females as compared to males. Germany has five million more females as compared to males. Russia has nine million more females than males. God alone knows how many million more females there are in the whole world as compared to males.
- Even if every man got married to one woman, there would still be more than thirty million females in U.S.A who would not be able to get husbands (considering that America has twenty five million gays). There would be more than four million females in Great Britain, 5 million females in Germany and nine million females in Russia alone who would not be able to find a husband.

SLAUGHTER:

- Blood is a good media of germs, bacteria, toxins, etc. Therefore the Muslim way of slaughtering is more hygienic as most of the blood containing germs, bacteria, toxins, etc. that are the cause of several diseases are eliminated.
- Meat slaughtered by Islamic way remains fresh for a longer time due to deficiency of blood in the meat as compared to other methods of slaughtering.
- The swift cutting of vessels of the neck disconnects the flow of blood to the nerve of the brain responsible for pain. Thus the animal does not feel pain. While dying, the animal struggles, writhes, shakes and kicks, not due to pain, but due to the contraction and relaxation of the muscles deficient in blood and due to the flow of blood out of the body.

THE ISLAMIC MODE OF SLAUGHTERING AN ANIMAL REQUIRES THE FOLLOWING CONDITIONS TO BE MET:

- Animal should be slaughtered with sharp object (knife). The animal has to be slaughtered with a sharp object (knife) and in a fast way so that the pain of slaughter is minimized.
- Cut wind pipe, throat and vessels of neck Zabiha is an Arabic word which means 'slaughtered'. The 'slaughtering' is to be done by cutting the throat, windpipe and the blood vessels in the neck causing the animal's death without cutting the spinal cord.
- Blood should be drained. The blood has to be drained completely before the head is removed. The purpose is to drain out most of the blood which would serve as a good culture medium for micro organisms. The spinal cord must not be cut because the nerve fibres to the heart could be damaged during the process causing cardiac arrest, stagnating the blood in the blood vessels.
- The Western world kill chickens by electric shocks, or maybe make them unconscious and then slaughtering their necks. Anybody who had an electric shot would know that it is really painful. Some of the Westerns hit the animal with a huge lofter/bat on their head to make them unconscious and then slaughter them. However, a research in Germany proved that the Islamic way of slaughtering is an un-painful way of killing animals, unlike the Western ways.

THERE IS MORE THAN A GOD:

This cannot happen, example: Imagine a sniper who has acquired his designated target and radios through to HQ to get the permission to shoot. HQ however, tells the sniper to hold on a while they seek permission from higher up. So, the guy higher up seeks for permission from the guy even higher up and so on and so on. If this keeps going on, will the sniper ever get to shoot the target?

WHY DID MOHAMMED MARRY A 9 YEARS OLD CHILD?

- At that time it was different society, different rules & at that time this case was natural. However, we can give examples that in Europe the age of marriage is different from a place to another.
- God can't ask us to do something wrong, never ever & forever. It's just that he may ask us to do something that appears to be wrong or bad, but actually, there is some greater good behind it. There must be some wisdom behind it. Such as, when God asked the mother of Moses (PBUH) to throw her son in the river inside a box, so, that appeared bad, but actually, there was wisdom & greater good behind it. The greater God that was behind it (the marriage of the prophet Mohammed to Aissa) was- later on she carried many & many of the prophet's "Hadiths"/speeches.
- Plus, the prophet Mohammed (PBUH) he married her not because he wants to, but because a dream he saw... & the dreams of the prophets aren't like normal people. The dreams of prophets are 100% true & also, it was a command from Allah (God).

WORSHIPING KA'BAH:

- It is the direction that people direct to when they pray.
- Muslims don't worship Kaaba, they only make it as a direction for their prayers.
- The Muslims are the first people who draw a map, when they drew a map, the Kaaba was in the center of the world.

- When Muslims don't know which way the Kaaba is, they pray at any direction they want. As long as they mean well, then there is no harm.
- At the time of the Prophet, people even stood on the Kaaba and gave the 'adhaan' or the call to prayer. One may ask those who allege that Muslims worship the Kaaba, which idol worshipper stands on the idol he worships?

MUSLIM FEMALES AREN'T ALLOWED TO MARRY NON-MUSLIMS MALES:

- Muslim males are not allowed to marry any non-Muslim female. Only Christians and Jews (People of the Book) and not any other religion. This is due to the fact that the scriptures held sacred by Christians and Jews do contain large portions of revelation even though the texts have been distorted and changed. Consequently, in honor of the revelation still remaining in these texts, permission was granted to marry their women. However, the condition of chastity is added to the permission mentioned in the Qur'aan. Consequently, only a woman who is either a virgin, divorcee or widow can be married. This means that the common practice of Muslims from the East coming to Europe and America and finding blue eyed blondes in discos for wives is quite illegitimate. Finding chaste females in the West is more difficult than finding the proverbial "needle in the haystack." By mid teens, virginity is looked at as a fault rather than a virtue.
- The reason for allowing men and not women is in order to protect the woman's religion. If a Muslim man requested his Christian wife not to bring alcohol or pork in his house and that she not wear mini-skirts or kiss his friends, she could comply without affecting her religious teachings. However, If a Christian husband requested his Muslim wife to purchase alcohol and serve him pork, to wear mini-skirts and kiss his friends since it is his custom to kiss the wives of his friends. It is natural for a wife to try to please her husband. In the case of the Muslim wife, that could lead to the destruction of her faith.
- Marriage to non-Muslims is discouraged in situations where Muslims are weak or in the minority in order to safeguard the religion of the children. If a Muslim man marries a non-Muslim woman in the West and their marriage ends in divorce, or the man dies, the courts will award custody of the children to the wife who will likely raise them as non-Muslims. However, if they were married in a Muslim country, the Sharee'ah would not give the children to a non-Muslim mother. They would instead be given to either the husband or his relatives in order to insure they receive a Muslim upbringing.
